The divine mission of the Mount Sinai Missionary Baptist Church is to be a positive and effective witness, corporately and individually, for our Lord Jesus Christ (Acts 1:8). CONGREGATION 13 Brethren, I do not count myself to have apprehended; but one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead,

From Our Pastor

Dear Family and Friends of the Mount

A. W. Anthony Mays, Senior Pastor

Greetings! “Thanks, be unto God for His unspeakable gift” (2 Cor. 9:15). God’s unspeakable gift to mankind is our Savior, Jesus the Christ, the LORD. He is the answer to reaching lost mankind. He said, “If I am lifted up from the earth, I will draw all peoples unto Myself.” No gimmicks, no false baiting, simply exalt Jesus and He will draw.

It is February. This is a time to learn and appreciate African American history and heritage. Political decisions and strategies are being employed in this country again to either deny our history altogether in schools, or to pervert our history to the purposes of certain perspectives. Can you believe that some people are trying to sow the seed thought that Blacks should see the benefit and blessings of historical slavery in America because through slavery our ancestors learned skills? Can you believe that a prominent political candidate of one of the major political parties is saying that America has never been a racist country?

And so again, our churches must stand in the gap and fill the void where knowledge and truth concerning our history are being so blatantly covered over. When I read the Bible, I frequently read where the history of Israel was consistently taught and held before Israel’s generations. In fact, the older generations were commanded to teach their history to the coming generations. Israel was consistently taught to remember where they had come from. Israel was consistently taught to remember what Jehovah had done for them. Israel was consistently taught to remember that they were a chosen people of God.

We, as a people, have a rich history. We have genuine heroes. Black people have been indispensable to the greatness of America. Black have proven over, and over again, that we are not inferior, or lesser, than any other people. I appreciate my children who sometimes send to me through social media, historical contributions of Black inventors and trailblazers. Recently a son sent to me the article which published that it was a Black man, Mr. Frederick McKinley Jones, who successfully brought about the existence of refrigerated trucks in 1925.

I am calling for all of us, young and old, to pursue a greater knowledge of our African American history by any means necessary. Dial up a documentary, purchase a book, have a conversation with others about Black history and equip your mind with true and accurate knowledge concerning our people. Our history is as great and as heroic as any other people on this earth. And if at no other place, let us be vigilant to make sure that we can get it from our churches. Amen.

Happy Birthday & Happy Anniversary
to all who are celebrating in February!

DISCIPLESHIP TRAINING

Classes with YOU in mind!!

When one looks around, its hard to tell the difference between the world and Christians. Where is the Christ-like behavior? Years ago, there was a campaign about "What would Jesus Do." Well, I think we have forgotten what Jesus would do. Not only are Christians walking and talking like the world, but they are bringing that walk and talk into the church. We are called to love, yet love seems to be missing in the world. The world is so full of hate that it chokes the life out of love. We are called to share and give yet we have an "I got mine you get yours" type of mentality. The world is full of selfish people and not those with a servant's heart. We are called to bare one another's burdens, yet we don't even want to talk to each other let alone know what they are going through. We, as Christians, were called to be different and to stand apart from the world. I Peter 2:9(NIV) states, "But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of him who called you out of darkness into his wonderful light."

We are called to go out into the world but not let the world get into us. We are called to bring light and love into the darkness of this world. Are you showing the world the love of Christ by your walk and talk? Matthew 5:14-16(NIV) states, "You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead, they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven."

We are called to be different than the world. This is just a reminder of what God has called us to do. Are you answering the call or has the world taken over in your life?

INTERMEDIATE MISSION NEWS

Intermediate Mission continues to be on the move.

During this holiday season, we wanted to be a blessing to some of our senior saints. So, we sent out over 60 Christmas Cards to senior saints at the Mount. We also delivered some poinsettias to a couple of seniors. We never want our senior saints to think we forgot about them; we want to make sure that we show them love as often as we can. 1 Peter 4:8-11(NIV) states, "Above all, love each other deeply, because love covers over a multitude of sins. Offer hospitality to one another without grumbling. Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms. If anyone speaks, they should do so as one who speaks the very words of God. If anyone serves, they should do so with the strength God provides, so that in all things God may be praised through Jesus Christ. To him be the glory and the power for ever and ever. Amen."

We never want to forget our Peggy's Pearls. Our pearl, Peggy McLennan, had a birthday on January 2, and we wanted to do a special drive by celebration before that date. On December 30, a group of us got together and surprised Sister Peggy to wish her a Happy Birthday. We get so much love and wisdom from her that we just wanted to return just a portion of what she gives to us. Happy Birthday Sister Peggy McLennan, We Love You!!!

Intermediate Mission along with Junior Mission will be hosting a Round Up for new members on February 18th after church in the fellowship hall. We hope to see you there!! Be on the lookout for more information.

If you would like to join Intermediate Mission or have any questions, please feel free to contact, President Ola Jobe @ 512-826-4163

Dorcas Circle "Believes It's Better to Give"

The sisters of Dorcas Circle were blessed to deliver 107 Christmas gifts packaged in handmade decorative stockings to all residents at Pflugerville Nursing and Rehabilitation Center in Pflugerville, TX on December 8, 2023. We were blessed to provide toiletries for the men and pampering items for the women. Our plans for 2024 are to be more interactive with the residents in assisting with their bingo games and sharing

scripture and songs as their schedule permits.

Please consider joining Dorcas Circle, a group of Christian women that love God and each other. You may email Chairperson Jackie Murphy-Ealey at jmc2004kje@gmail.com

Rachel Circle in Action

Christmas Season is a time for giving. And every year at this time, we attempt to replicate in a very small way, the gift our Lord and Savior has given to the world.

As the birth of our Lord and Savior Jesus Christ is celebrated all over the world, the Rachel Circle took the opportunity to bring small tokens of love to the residents of

Legend Oaks. Christmas stockings were made for every resident and each stocking was stuffed with hand lotions, pencils, candy canes and a toy! In addition to that, each resident's room received a tiny Christmas tree. The trees were placed in the rooms on Christmas Eve and the stocking given on Christmas Day. The delivery guys, Rosa Johnson, secretary and Delphea Jester, chair, rejoiced to the sounds of "Joy to the World" being played through the PA system for the residents!

Blessings to the members of Rachel Circle for taking December 23rd as the day to stuff stocking and make delivery in order to make someone else's Christmas bright!
