From Our Pastor

Dear Family and Friends of the Mount

A. W. Anthony Mays, Senior Pastor

Greetings! “Thanks, be unto God for His unspeakable gift” (2 Cor. 9:15). God’s unspeakable gift to mankind is our Savior, Jesus the Christ, the LORD. He is the answer to reaching lost mankind. He said, “If I am lifted up from the earth, I will draw all peoples unto Myself.” No gimmicks, no false baiting, simply exalt (present, point out, magnify) Jesus and He will then draw. Amen.

The month of February this year is past, but I pray that the healing and inspirations of African American Heritage and History are not left behind us. We need more and more in the present season to undergird our population with the truth of our many and diverse heroes. We’ve lived through times when such history was denied to us from the majority textbooks, and now it is our reality that such evil and malignant forces are again in power trying to paint our history as a threat to the common good.

In this month of March, we want to recognize the blessings of service through the Deacon and Deaconess ministries. These are indeed wonderful servants of the Lord, doing a great work in His name. Mt. Sinai is made the better because of these humble servants. The Bible teaches, “honor to whom honor is due.” Certainly, these, our brothers and sisters, are deserving of honor. The service to honor these servants will be the Second Sunday, March 10th, at our 11am worship. Our guest preacher for the occasion will be our gospel son, Dr. Michael Oyedokun II, pastor of the Love Community Baptist Church of Forney, Texas.

This March will also mark our celebration of the Resurrection Season. We look for to the presentation of our Children, Youth, and Young Adults, giving focus to the real point and purpose of the season. We will again present the Good Friday service of the Seven Words of Christ on the cross. This service will be on the 29th of March beginning at 11am.

I close with, exhorting all of us to vote in the March primary elections. Our vote is our voice. We register our choices through the ballot box. Not voting is not an option, especially for us. No other group can be as loyal, or as committed to our interests as ourselves. Don’t be TRIFLIN’. Whatever it takes to cast our ballot let us do so. These are serious times.

Called to Love

 By Angela Irving

Today in 2024, there seems to be more hate in the world than love. Hate seems to be running rampant in the streets, in our homes, in our schools, and yes even in our churches. What happened to love? What happened to kindness? It seems that people would rather hate, hold grudges, and be mean to others than to love them the way God loves us. I Corinthians 13: 4, 7(NIV) states, "Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It always protects, always trusts, always hopes, always perseveres."

We as Christians need to be showing the world what love is, not hate. We need to remember that God loved us so much that He sent Jesus, His only begotten Son to us so that we wouldn't die in our sins. Jesus is God's love on display for us. Let's not be selfish and keep all of the love that God has shown to ourselves, but let's share it with the world. Are we being kind to that beggar on the street? Are we being kind to that nosey neighbor? Are we being kind to that coworker that gets on our nerves? Are we being kind to that person who cut us off in traffic? Are we being kind to that brother or sister sitting on the pew with us? Are we being kind to our family and friends? When you are kind to others, you are showing the world God's love. Colossians 3:12-14(NIV) states, "Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness, and patience. Bear with each other and forgive one another if any of you has a grievance against someone. Forgive as the Lord forgave you. And over all these virtues put on love, which binds them all together in perfect unity."

We have to get back to showing love to one another. We have to get back to being kind to one another. Love needs to be the motivation in everything we do. In the words we speak, in the things we do, love needs to be

present. Sometimes just a smile, a warm hug, a call, a text, or even a card is enough to let someone know they are loved. "Think of your fellow man, lend him a helping hand, put a little love in your heart. And the world will be a better place for you and me, you just wait and see." Lyrics by Jackie DeShannon.

Junior Mission On The Move

On January 20th, the Mt. Sinai Junior Mission, along with the St. John's Junior Women's Auxiliary, participated in the annual Round Up. During this event, 50 care packages were created to share with the unhoused population in the Austin area. Additionally, on February 3rd, the Junior Mission volunteered at the Central Texas Foodbank in the food sorting warehouse. Over 6500 lbs. of food was packaged which will provide more than 5,000 meals for families in need. Both of these events were wonderful days of fellowship and service to others and we look forward to identifying future opportunities to be a reflection of God in our community.

Mrs. Olyvia Green, a Fearless Trailblazer: The First Black Teacher at Pease Elementary

February 22, 2024

By: Stephanie Hawkins

As Austin ISD continues to celebrate Black History Month, we must recognize the trailblazers of the past who have shaped the district today.

- This week, we're honoring Olyvia Green — Austin ISD's first Black teacher at Pease Elementary School.

Why it matters: Green paved the way for Black teachers during integration and created a lasting legacy for hundreds of students she taught during her years at Pease.

- She began teaching at Pease in 1969 and served the school community for 26 years.

What they're saying: "When students see teachers that look like them, that makes me feel proud," Green said.

Background: Born in 1939 in Magnolia, Arkansas, Mr. & Mrs. Elijah Brown gave birth to a trailblazing daughter who would go on to make a lasting impact on Austin ISD. After receiving encouragement from both of her parents, Green became an educator.

She moved to Austin in 1967, working as a substitute teacher for the district at both Sims and Blackshear elementary schools.

During integration, Green said she faced racism, discrimination, and unacceptance.

However, those experiences didn't interfere with her passion for teaching and she made sure that all her students in her classroom would learn, feel safe and be loved.

"The students at Pease were so excited to have me as a teacher because they never had a Black teacher before," she said.

One of Green's fondest memories was in 2015 when she was honored with a video that included former students and friends talking about her influence and the installation of her portrait at Pease.

Thank you Mrs. Green for being an inspiration for all who create a safe place for learning for our students.

Because One Month Can't Hold Our History, the youth ministry
would like to invite everyone out on

Saturday March 9th from 2:00 p.m. – 5:00 p.m.
for a
