From Our Pastor

Dear Family and Friends of the Mount

Dr. A. W. Anthony Mays, Senior Pastor

“Thanks be unto God for His unspeakable Gift” (2 Cor. 9:15). God’s Unspeakable Gift to us is our Savior, Jesus Christ, the Lord. We confidently proclaim that He is LORD! We pray continually for you the fullest experience of God’s grace and unabated mercy along with His precious and prevailing peace.

I had lunch with a friend the other day and in the conversation, he said something that challenged my thoughts. He said that we, meaning Black people, should be cautioned about seeking a “political” solution to our problems. I believe he said this sincerely because he was seeing and hearing the great emphasis we, as Black people, were making about the coming election. We are urging and pleading with all the right-thinking members of our community to vote in this coming election. We are making much of the ballot choice of what persons are to occupy these elected offices.

We are arguing that staying home and not voting is not an option, especially for us. It is irrational to believe that voter participation is a useless act. We must combat that foolishness wherever we can. That is a perspective that cannot withstand legitimate reasoning. Political choices have impacted for good or evil the living experiences of our community.

For the most part, our community is made up of people who believe. Yes, we do have in our community, sceptics, and agnostics, and atheists, but the far greater percentage of our community are basic believers in God. We believe in all that God has done for us. When we credit the ultimate source of our blessings and benefits, we recognize the hand of God working for our good. Historically in this country, we see that a lot of the progress which has been realized in our community for racial equality, and justice has come about through what type man or woman was in a position of power and influence. Our ancestors were liberated under Lincoln’s administration. However, Lincoln’s administration was succeeded by Johnson’s administration which sought to undo all that Lincoln had accomplished for the formerly enslaved.

There are a great number of examples in history that prove that whoever is in the office determines the course of the land. We know that God is ultimately in charge, but God very often waits for us to do all that we can to bring about positive changes. He can change things supernaturally, but sometimes He waits for us to “fill the waterpots.” In this age God can do all things, but He chooses to do it through our active involvement. **VOTE!**

IT'S
TIME!!!

It's finally time!!!!

It's now time for us to come together as a church family and celebrate the 40th Pastoral Anniversary of our beloved Pastor and First Lady, the Rev. Dr. A. W. Anthony Mays and Sister Fannie P. Mays!!! Genesis 2:18 (ESV) states, "Then the Lord God said, It is not good that man should be alone, I will make him a helper fit for him." Romans 10:15 (ESV) states, "And how are they to preach unless they are sent? As it is written, How beautiful are the feet of those who preach the good news."

To God be the Glory for 40 years of spiritual guidance and dedicated service to Mt. Sinai Baptist Church. God has truly blessed us along this journey. To be able to see where we were 40 years ago and to see where God brought us to. Pastor Mays and Sister Mays, we hope and pray that you feel the love and admiration that we have for you for all you have done these last 40 years.

Let's enjoy the upcoming activities as we celebrate 40 years!! We hope you have your red carpet attire ready as well as your tickets for the Gala. Can't wait to join in the celebration!!

In recognition of Pastor's obedience to the Word and his visionary leadership, please share with us in celebration as we dedicate and rename the Mount Sinai Family Life Center in his honor on **Sunday, November 1st** at 1:30 pm (immediately following worship service).

On **Wednesday, November 4th** we will celebrate "One Night in Three Acts". The Red Carpet opens at 6 pm, hosted by Gigi Bryant and Keith Robinson. Come "Dressed to Impress" and show your style on the Red Carpet!

Act One begins at 6:30 pm, guided by our Event Emcee, Brian Jones. Brian Jones serves as a college football analyst for CBS Sports and CBS Sports Network. He has appeared on College Football Today and Inside College Football on CBS Sports Network and CBS Television Network, respectively. Brian is known for his former NFL career with the Raiders, Colts, and Saints. But, his time at the University of Texas in Austin playing for the Longhorns is the special bond shared with our Pastor. Jones graduated from UT with a degree in Corporate Communications.

Act Two will feature a Sneak Peek of the Documentary produced by Baby Girl Productions, "Thanks Be Unto God: The A. W. Anthony Mays Story". At its heart, this film is about Legacy. It is for the student at who needs to know whose shoulders they stand on, for the member at The Mount who wants to understand the foundation of their spiritual home, for the young minister who seeks an example of a life in ministry and for a believer to be inspired by a life lived by faith. This is not just a film about a man; this is a documentation of a movement.

And **Act Three** will allow our ministries and friends to show love to our Pastor and Pastor's Wife!

This **IN-PERSON** event is an evening that you do not want to miss!!

Hymn of The Month

Hymns are important because they:

Adore and worship God • Address God directly as prayers • Declare Truth • Call our attention upward and lift us above the earthly things • Remind us of our original glory and God's intention to see that glory restored in us • Articulate, exegesis and pronounce biblical truths • Shape the way we view God, man and Christ, and how we are to live in light of the Gospel • Keep us in touch with our Christian heritage • Expose us to superb poetry • Give our worship a sense of majesty and beauty

And for these reasons (and MORE), we will share a "Hymn of The Month" to refresh and add to our spiritual toolkit and resources.

MOVING FROM MISSION,

President

SAVE THE DATE:

"5th Sunday" Mission Emphasis Day... NOVEMBER 29, 2026

Our Mission Emphasis Day leadership team, led by **Sis. Jackie Owens**, chairperson, and **Sis. Joyce Brisco**, co-chairperson, is preparing to conduct our **Mission Emphasis Day** in November.

Sis. Owens and **Sis. Brisco** are asking the members of Mt. Sinai to donate items to **Austin Diaper Bank**. The **Austin Diaper Bank** provide diapers and wipes to Central Texas families who struggle to afford diapers each month for their babies and children.

We are requesting all **women** and **girls** of Mt. Sinai to **wear uninterrupted white at the 11:00 a.m. services and to include a sacrificial offering of \$20.00 for Foreign Mission**. Additionally, we are asking *men* and *boys* to wear dark suits as support of this effort.

Attached is a list of the items that are needed. Please place them inside barrels, which will be located in the sanctuary on 5th Sunday. Pastor Mays will give direction when to place the items in the barrels.

If you cannot be in the service physically, we pray that you will send your donated items by someone who will be attending.

For additional information contact – Jackie Owens, Mission Emphasis Coordinator at 512-587-2464.

It took a while to learn that listening and hearing are two different things. Hearing is the ability to distinguish sounds and words while listening is the ability to understand what the sounds and words mean. If there is something you do not want to listen to, you can tune it out. You can hear someone talking but not listen to what they are saying. In the world we live in, there is a lot of hearing but not a lot of listening going on. Too many voices talking but not enough listening. Listening is an intentional act. Listening to comprehend what someone is saying is a true gift.

by **Angela Irving**

Sometimes all a person needs is someone to listen; not add commentary, not give advice, and not judge. Just listen. Are you someone who can be trusted to just listen? James 1:19 (ESV) states, “Know this, my beloved brothers; let every person be quick to hear, slow to speak, slow to anger.”

I don’t know about you, but I am so glad that not only does God hear our cries but He listens to what our hearts say. God already knows what we are going through but He listens to what we don’t even say. Man may tune us out, but God listens. Psalm 34:17 (ESV) states, “When the righteous cry for help, the Lord hears and delivers them out of all their trouble.”

“I sought the Lord and He heard and He answered, that’s why I trust Him.” When no one else listens, we can rest assured that God does.

INTERMEDIATE MISSION HARD AT WORK

Members of Intermediate Mission attended the BLH Bradshaw Mission II Retreat, held October 2–3 at the Summer Mills Conference Center in Belton, Texas. Centered on the inspiring theme, "Who Are We in God's Eyes?" (Ephesians 2:10), the

retreat provided an opportunity for spiritual reflection, fellowship, and a deeper understanding of our identity and purpose in Christ.

The Intermediate Mission was joined by members of the Junior and Senior Mission, making the gathering a meaningful time of unity across generations. Together, participants were encouraged to reflect on God's plan for their lives and the importance of walking faithfully in the purpose He has prepared for each of us.

A special highlight of the retreat was the opportunity to hear from Mt. Sinai's own Sister Shaila Murray, who served as a speaker and presented the message, "Discovering God's Purpose – The Naomi and Ruth Story," based on Proverbs 19:21.

The retreat was a wonderful reminder that we are God's workmanship, created in Christ Jesus for good works (Ephesians 2:10).

Intermediate Mission (age 41-60) meets on 1st and 3rd Mondays via Zoom and is under the leadership of Sis. Angela Irving.
